

You stand before your foe as the power of the elemental forces flow through you. The ability to create or destroy mingles with the magic about you as you cast your spell, turning the dragon into stone.

This is the power of magic, and the mystic lands is full of powerful spell casters, each able to draw on the elemental power, or even on the forced of creation and entropy.

Mystic Adventures, Magic, expands the magical rules of the mystic adventures game, adding new spells, new powers and now the ability to forge magical items.
